Activities Let Students Be Themselves

The activities program follows Country Day's belief in developing well-rounded students. The activities range in intensity from games and hobbies to the production of yearbooks, newspapers, plays and musicals. Students devote between forty-five minutes to over twenty hours per week nurturing their talents.

ABOVE: It took hours of work for Tom Stulberg and Sam Slaughter to remodel last year's *Harvey* set for the 1978 production of *Arsenic and Old Lace*. LEFT: Peter Pendray stares at a heckler in the audience who is mocking his Midwestern-Irish accent. LOWER LEFT: David (Cary) Grant takes a break between scenes to do some serious napkin inspecting. BELOW: Susan Brown is able to raise a smile at Courtney Vance's and David Grant's posed stance, but Robert Lech finds the scene too silly to respond to.

Drama

Mr. Ronnie Clemmer, who dug up the Drama Club two

years ago from its lengthy dormancy, directed his third excellent production at DCDS last spring. Joseph Kesselring's lunatic comedy, *Arsenic and Old Lace*, was superbly performed by a cast led by David Grant, Betsy Moss, Marcie Lynn, Susan Brown and Sam Klein. This year's *The Male Animal* should prove to be of equal success.

DRAMA

Musical

"They
said it
couldn't

be done, but we did it," exclaimed Dr. Schlegel after Detroit Country Day School's first musical production ever. Under the direction of Dr. White, Mrs. Coleman, Mr. Donohar and Miss Conners, the students performed a musical revue, a melange of classic scenes and songs from popular musicals. The acts ranged from *West Side Story* to *The Music Man*.

Students Participate in Various Games

Bridge

Bridge Club meets every Tuesday homeroom period to engage in fierce card

competition while picking up on the finer points of the game. Mr. Hocevar, a bridge virtuoso, instructs beginning players as well as giving a hand to intermediate players. Any student with an interest in bridge would be wise to take advantage of the instruction under a bridge master like Ho.

FAR ABOVE: Kenny Berman awaits Jeff Goldman's lead. ABOVE LEFT: Tom Stulberg, Tom Largo, Alan Barr, and Eric Borman enjoy a game of bridge. ABOVE: Bob McDowell, Steve DeVore, and other members of the elite inner-circle of the war games club plan invasions and counter-attacks. Chess

Mr. Brault's Chess Club is producing Bobby Fischers by the dozen.

There are quite a few players who are extremely good as well as less experienced players learning the ropes. The club is as fun as it is intellectually challenging.

Backgammon

Mr. Morrow is the adviser of

the Backgammon Club, guiding about twenty students in tournament play. The club has a continual tournament based on an official tournament point system. Everybody plays everybody so that one can learn from players with more experience.

Student Council

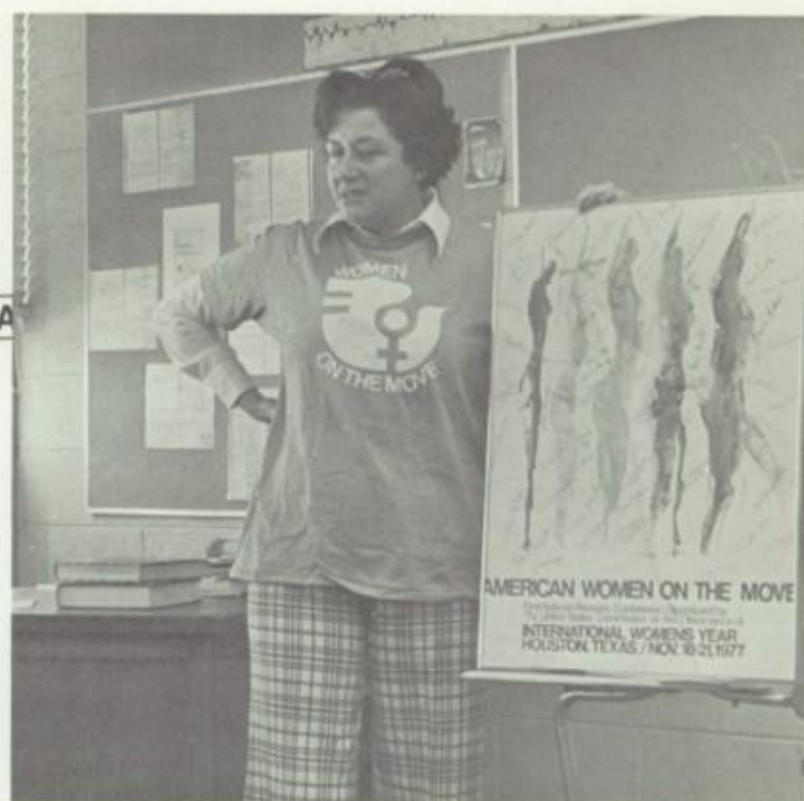

This year's Upper School Student Council (USC) is the most active council ever.

President Steve Epstein has expanded the council's projects from mere bagel sales and dances to symposiums, field days and maintaining close contact with the administration. Mrs. Slaughter's active role as the USC adviser has provided momentum to prevent the council from slowing down. The council's major project was its successful Symposium on Violence this past November. Each council member worked diligently on symposium chores which ranged from program stapling to writing the keynote address. The USC dances were well attended and the council has helped organize dances sponsored by the individual classes. The traditional exam pop and bagel sales were quite a relief for tired students. The major projects for the USC in the spring look promising. The council is promoting Steve DeVore's new rotating homeroom proposal. Field Day planning will be done by the council. The USC is working on gym fund raising projects too.

Symposia

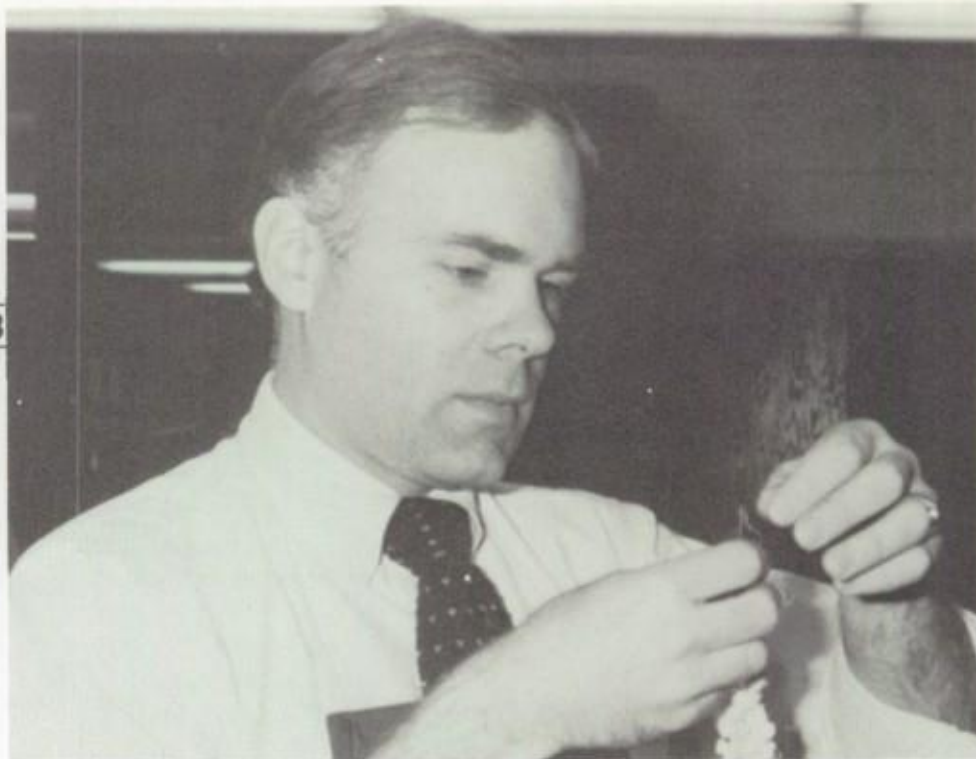

Country Day's symposium program has led to semi-annual presentations for the Upper School

students. *Harold and Maude* was shown for the film symposium. Mrs. Hannett was chairperson for the symposium on the changing role of women. Her project received newspaper and television coverage and was tremendously successful. The Student Council's Symposium on Violence was chaired by Kel Keller and included guests such as an NBC vice-president and famed attorney Ellis Rubin.

Art Club

Mr. Schwarzer's Art Club serves the whole school while

its members enjoy creating their projects. The club's profits from various sales have gone into buying prints which beautify the school. Last year the club sponsored an all-school art exhibition in the library. The Art Club provides a casual atmosphere for students to partake in painting, ceramics, welding, printing and weaving.

Cinema Club

This year, Mr. Blakeslee's Cinema Club

organized the successful film symposium featuring *A Man For All Seasons* and *The Candidate*. Although the club is not as active as it has been in the past, they did experiment with an after-school showing of movies during the past winter. The afternoon showings weren't as well received as the Friday night showings, but the Cinema Club presented many excellent films.

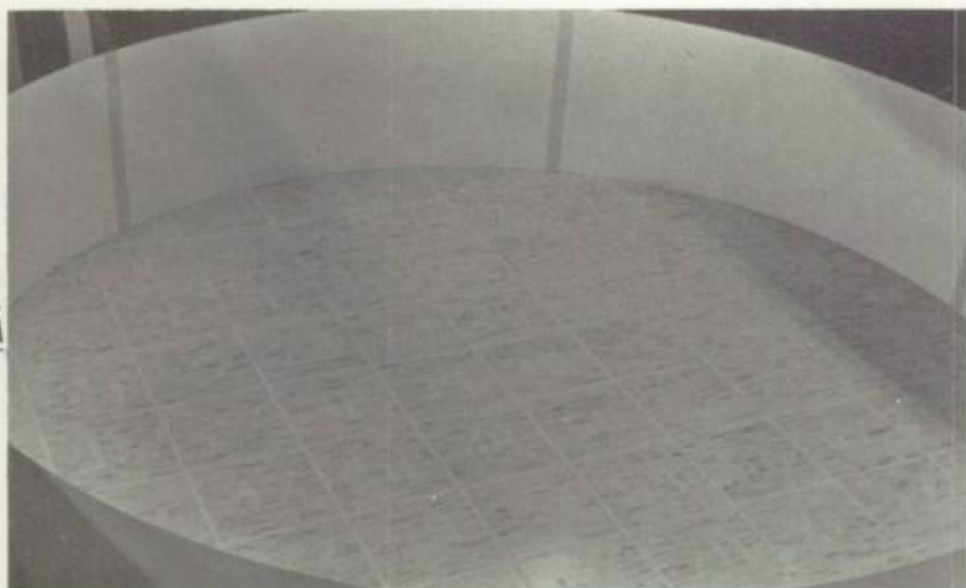

ABOVE RIGHT: With the shades drawn, Eric Martin prepares to show a movie to the freshman class. BELOW: John Utley tucks away a film all DCDS students can identify with: *Papillon*. BELOW RIGHT: Mike Kaufman shows the darkroom techniques that have helped him to become one of the school's finest photographers. FAR BELOW: Suzanne Katz is poised with her camera to take some action shots at the annual rock and mineral show.

Photo Club

The Photo Club meets biweekly

during Tuesday homerooms under the direction of Mr. Fremuth. The club spends its time analyzing photography techniques in professional and amateur works. The club also learned to develop film and other darkroom techniques. Mr. Fremuth hopes to have a photography exhibition sometime this spring.

Science Projects

The Science Projects program maintained its tradition of excellence under the guidance of Mr. Ed Honos. The

goal is for the students to exhibit their projects in the Detroit Metropolitan Science and Engineering Fair. Major projects this year include John Sinard's experiment on animal sociability and Gordon Whitehead's *Sound and Plants*.

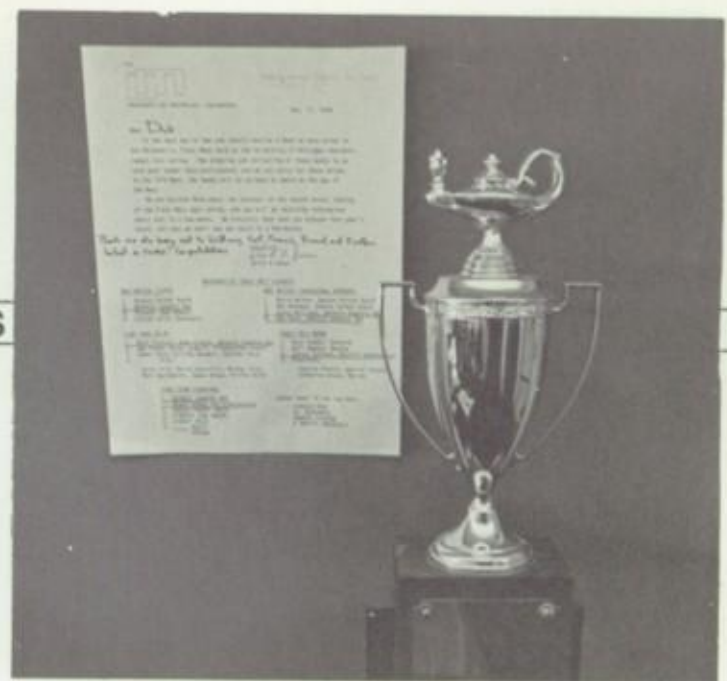

Computer Projects

The Computer Projects program is a branch of Science Projects. The projects are put in competition at the Metropolitan Science and Engineering Fair. Alex Begin is presently working on a project to exhibit at the fair. The computer team is led by Coach Morrow and placed second in the area finals. The team consists of Alex Begin, Louis and Robert Millman and David Casper. The school's new self-contained system with a home base and four new terminals has helped the team.

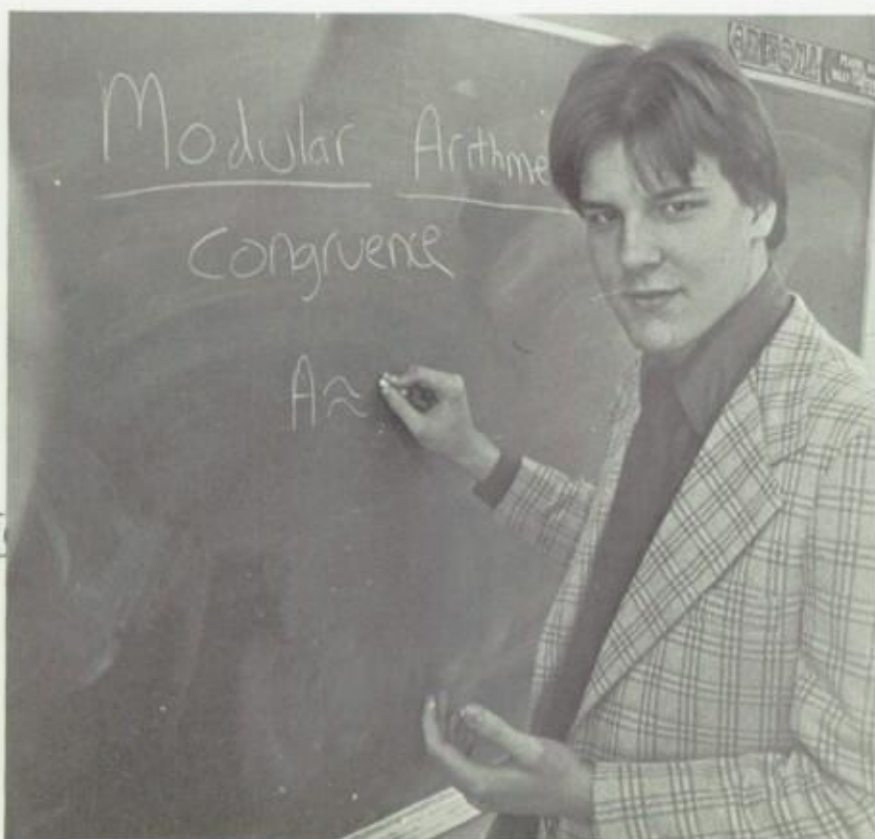

TOP: One of the major science projects was a Star Wars landing base. ABOVE LEFT: Gordon Whitehead does some electrical work on his sound and plants experiment. ABOVE: Jim Heller tries to locate some vital chemicals. BELOW LEFT: Alex Begin starts off his day with a shot of computer juice. BELOW: The infamous Millman brothers work out pi to a couple hundred decimals between two of their class periods.

Math Competition

Mr. Morrow's Math Competition has become increasingly popular. The Michigan Math Prize Competition, The National Math Test and the ATPAC test are available to students. The math team competes in the U of M Mathematics Track Meet. Equally important as Mr. Morrow's efforts has been the willingness of the students to work with anyone interested.

Band

Despite the loss of four graduating first chair performers, Dr. White's band has more talent than ever before.

Out of over twenty events entered in the district solo/ensemble competition, nearly all received medals. The band played for football games as well as at the annual winter concert. The jazz band is active and the orchestra will play at the musical.

Chorus

Mr. Donohue continues to direct the chorus with expertise. He also directs the Jackets and Jills, a select group of nine girls and six boys. Mrs. Bluford has done a superb job as the group's accompanist. The chorus sang at Somerset Mall, several nursing homes and the Lower School during the Christmas season. The music selections are done by student librarians. All members of the chorus will be actively participating in the lively spring musical, *Bells are Ringing*.

Language Clubs

The language clubs continue to be popular

activities that help students with their use of the languages as well as familiarizing students with various cultures. Mrs. Platen's Spanish Club has had a pinata party and learned folk dances. Mr. Jurkiewicz's German Club went to Frankenthuth and had a summer trip to Germany. The French Club is run by Mr. Logan and is planning a trip to Montreal.

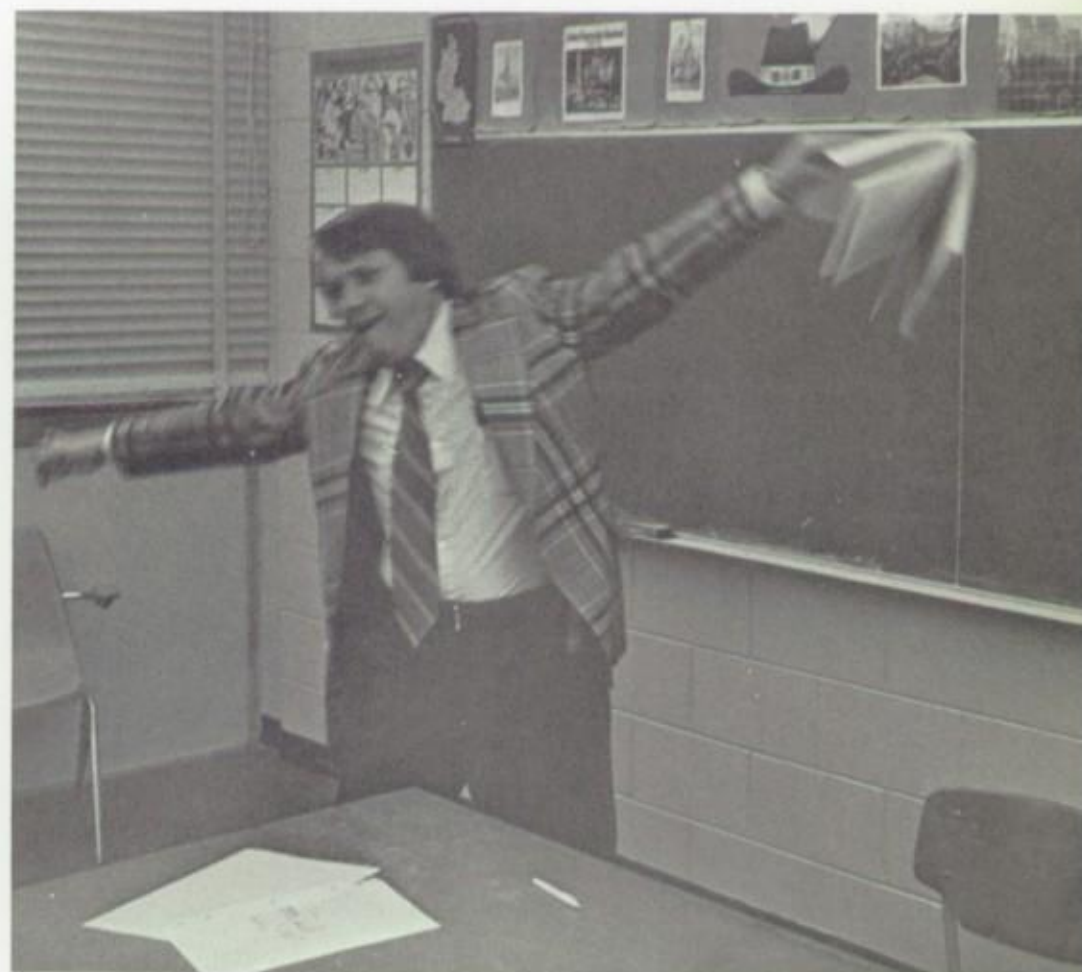

TOP LEFT: Maya Dumermuth, Susanne Schmidt, Sue Randol, Lisa Irwin and Kim Hanafée pose with Mr. Logan, the French Club advisor. **TOP RIGHT:** Students visiting Germany stopped at the beautiful Linderhof palace. **MIDDLE RIGHT:** Mareen Snyder prepares decorations for "Christmas Around the World." **BOTTOM RIGHT:** Spanish Club students witness the filming of a Merrill Lynch commercial in Pamplona, Spain. **ABOVE:** Latin Club proposal for the new gymnasium.

Flying Club

This is the first year of the DCDS

Flying Club. The purpose of the club is to promote interest in aviation at the school as well as to prepare club members for the written exam for their private pilot's licenses. Mr. Croy is the faculty adviser and is a pilot himself. Captain Larry Uzelac is president of the fifteen member club. The large amount of interest in the group proves that the club is off to a "flying start."

TOP RIGHT: Mr. Croy took the responsibility of advising the newly formed Flying Club. Here he explains the applications of polar geometry in aviation to Dave Schlitters and Alex Begin. BOTTOM RIGHT: "Off we go, into the wild blue yonder. . . ." BELOW: During one of the Wilderness Club's excursions into the backwoods, Steve Jones takes the time to humble himself before nature's magnificence, as Sam Slaughter looks on.

Wilderness Club

The Wilderness Club's purpose is to give students a chance to enjoy nature, learn camping skills and to have a good time. Club members partake in weekend trips which include camping, canoeing, cross-country skiing, snowshoeing and hiking. Mr. Mullen, the club advisor, supervised a canoe trip on the Au Sable River last fall.

Newspaper

Mark Balding was the Editor-in-Chief of this

year's impressive *Day Times*. The newspaper reported on important events such as the Student Council symposium, the Homecoming festivities and the bent flagpole. It also presented editorials on such important subjects as the new gym, school spirit and card playing. Next year, the staff plans to move to a shorter format with more frequent publication dates.

Spectrum

Spectrum is the school's yearly literary publication.

Any student who has written an original poem, essay or short story may submit his or her article to the *Spectrum* staff. The staff selects the best writings and also edits sketches to go into the publication. Mrs. Hannett has done a superb job as the *Spectrum* adviser and always manages to get a fabulous student-drawn cover.

Literary Club

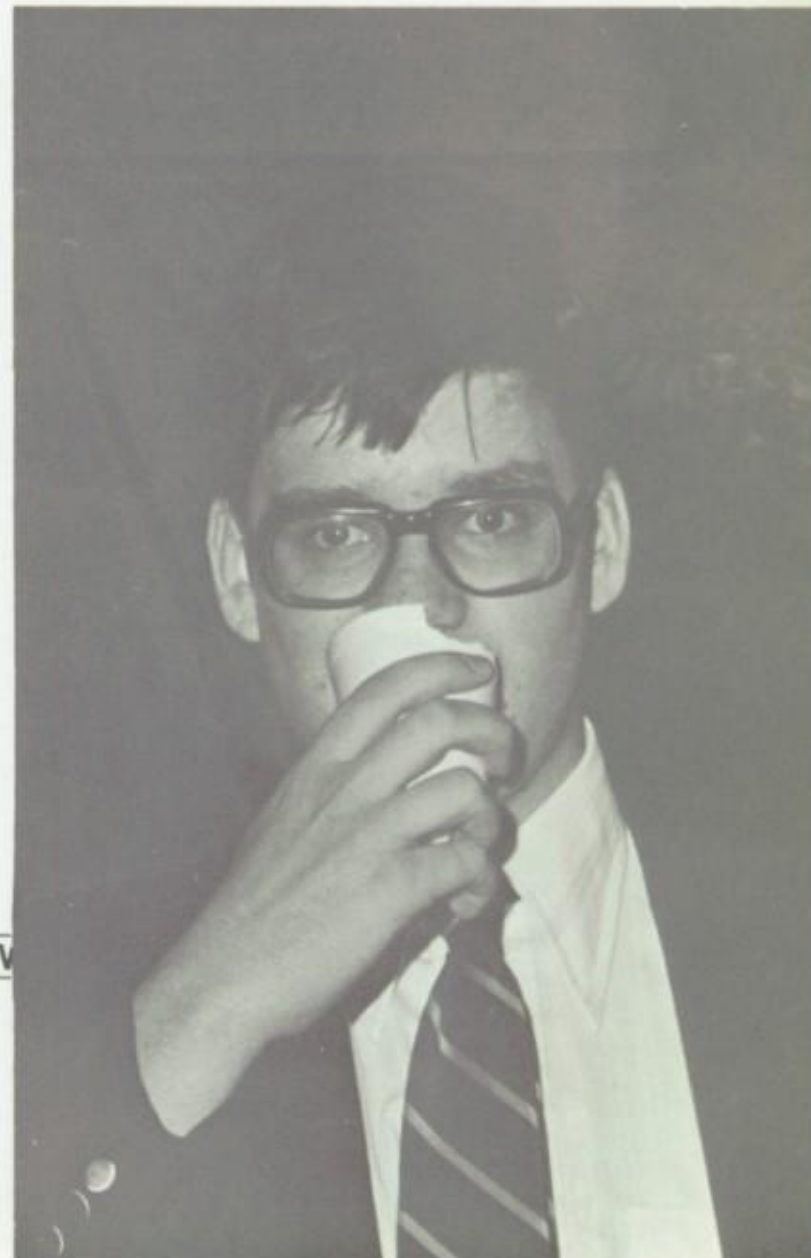

The Literary Club is in its sec-

ond year of existence under the supervision of Mrs. Hannett. The club selects its readings and then meets twice a month to discuss the works. They have read a collection of short stories, *The Iliad*, *The Aeneid* and plan to see *Henry IV* performed at Stratford after reading it.

Service Club

The Service Club is, without doubt, one of the school's most worthwhile organizations. Led by co-chairpersons Tina Warpup and David Dworkin, they have sponsored the biannual Red Cross Bloodmobile, a basketball game for charity and have arranged for senior citizens to attend the DCDS musical. The club presented the *Underground Railroad at Night* and hopes to sponsor a student at DCDS.

Varsity Lacrosse: Midwest Champs

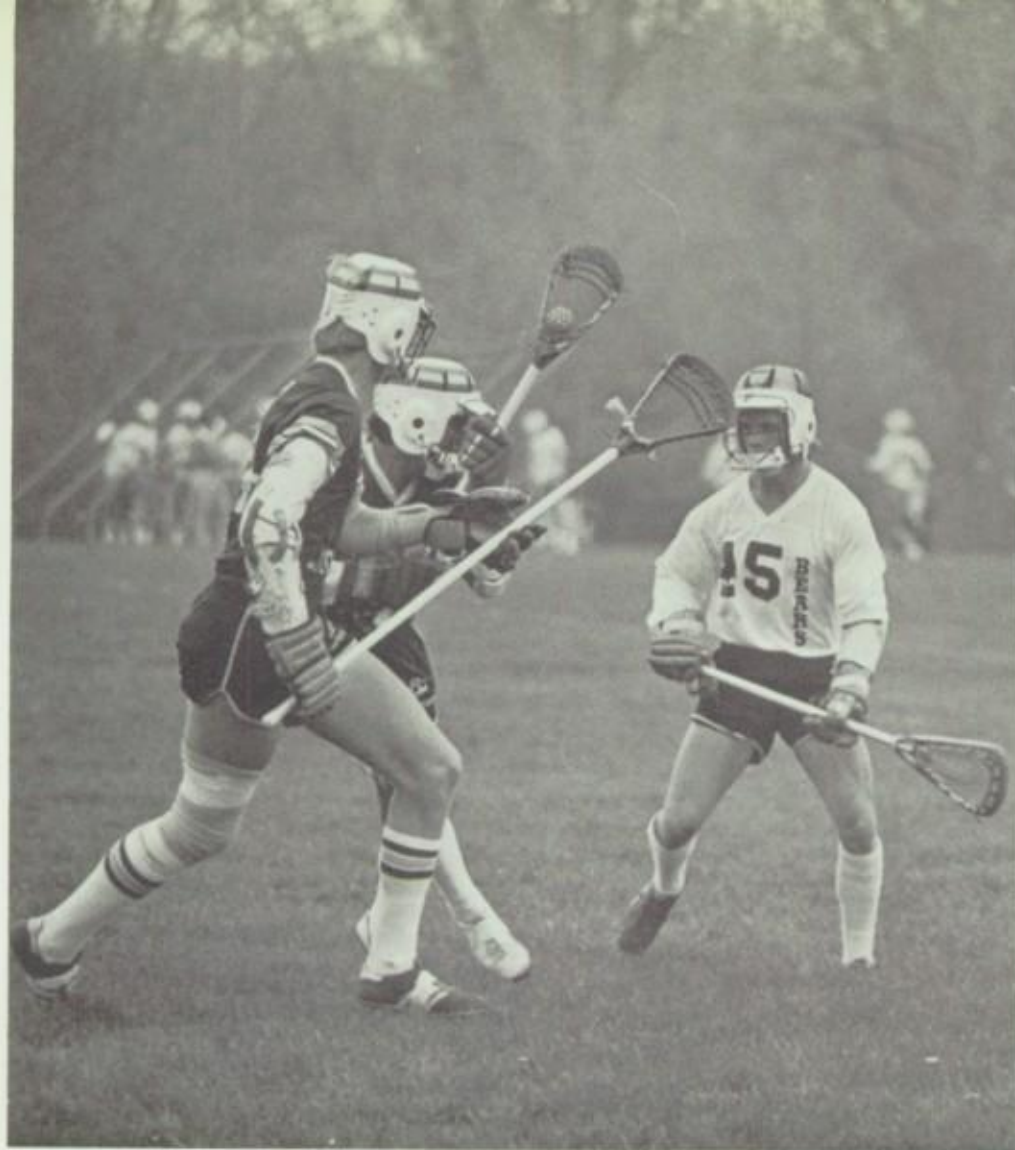

The 1978 men's varsity lacrosse team, led by All-Americans Rob Ambrose and Bill Aliber, enjoyed a fine year, winning the Mid-West Championship. The championship game was played at Cranbrook against Worthington High School. Earlier in the season the Jackets beat Worthington at home 9-6, but later on, Worthington handed the Jackets their only loss of the season by beating them 10-8. Worthington had beaten their earlier opponents in the tournament handily and were fired up going into the championship game. The same was true for the Jackets, cruising to the finals with two victories over Upper Arlington 8-5 and Sauickley 8-3. At the end of the first half of the championship game, the Jackets were behind by two, but they came back in the second half to win 7-5, ending an extraordinary season with a record of 13-1.

The J.V. lacrosse team, under the leadership of Coach Corwin, was able to cruise to a record of 5-2 with a tough defense, a strong attack, and an experienced midfield led by Maseeh Rafani. Two important wins were over arch-rivals Cranbrook and L'Anse Creuse by the crushing scores of 6-0 and 7-2.

Tennis Team Qualifies For States

The tennis teams had a peculiar start, carrying snow shovels instead of tennis racquets. When spring finally arrived, the 1978 varsity tennis team began another good year. Though the team did not have a winning record, this is in no way indicative of their season. Randy Jacobs and Glennys Merritt, co-captains, played well consistently as Dr. Blakeslee and his team captured second in their region to qualify for the states. Excellent performances were given by Randy, Glennys, Neal Krasnick, and the first doubles team of Kevan Kreitman and Josh Davis. The team finished on a strong note when Randy won a well-deserved state championship in second singles.

Coach Brault's JV tennis team's season was highlighted by a 4-3 trounce of defending state champion Liggett. Commendable performances were given by Tom Largo, first singles; Greg Clapp, second singles; and the first doubles team of Roger Trunsky and Bob MacKenzie.

Varsity Baseball Has a Fine Year

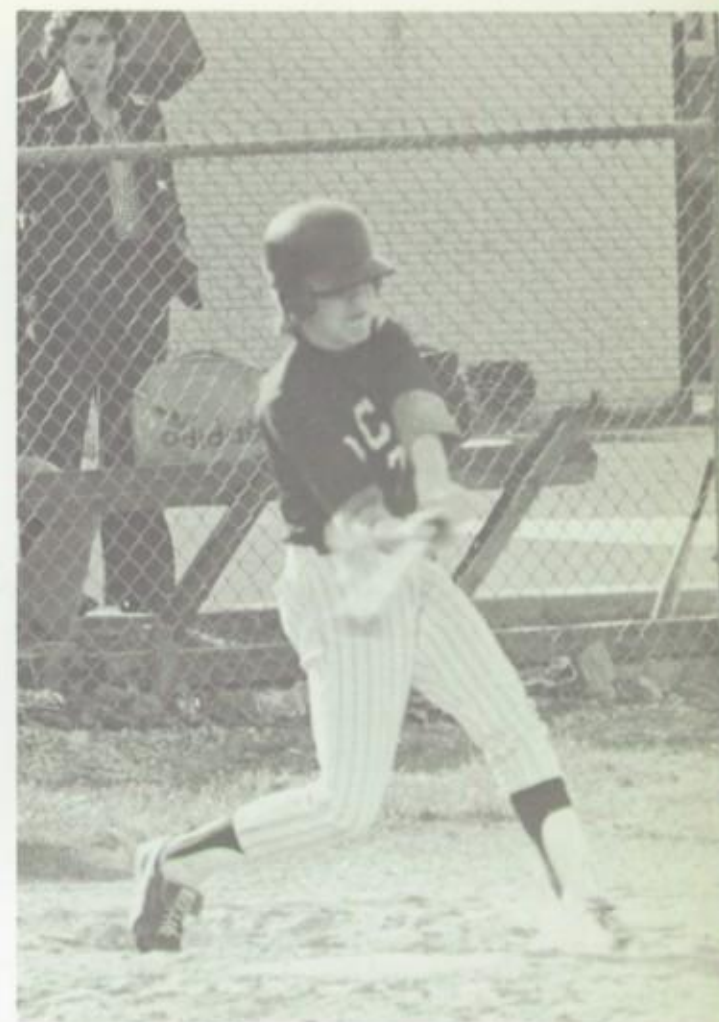

The men's varsity baseball team, despite the loss of co-captain Rob Silverstein for the majority of the season, enjoyed a productive year. After taking the annual "spring training" trip to Virginia, the team returned home to face a tough Metro Conference schedule. Behind Ron Angell, who led all pitchers with a 5-2 record and 43 strikeouts, and Jim Lemle, who had a team high batting average of .449, the Jackets finished with a record of 11-8. The team was sparked by the consistency of senior co-captain and most valuable player Jeff Johnston. Jeff was the second leading pitcher and also was among the team's leaders in scoring, runs batted in, batting average and triples. With Jeff's leadership, the Jackets closed out their season as runner-up in the district.

The J.V. baseball team showed improvement over the past few years as they slugged their way to four impressive wins. Coach Pat Carmichael cited the pitching and hitting of the freshman trio of Mark Riley, Nick Roth and Ken Lester as the main reason for the team's success.

DCDS Track Clobbers Opponents

The 1978 men's track team raced to an impressive dual meet record of 8-2 while holding its own in an assortment of invitational and relays. After finishing second in the DCDS Invitational, the team went on the road for two weekends and was triumphant in both the Springport Invitational and the Marysville Relays. When they returned home, Mr. Browne's team took third in the league, fourth in the regional, and sixth in the states. The state meet was highlighted with All-State performances by Courtney Vance, Dave Koppin, Mark Fentress, and Eddie Guindi.

Mr. Prosperi's women's track team sported a very successful season. In addition to a commendable 8-1 record, they were the regional Class D Champions, sending twelve women to the state finals. Outstanding performances were given by Terri Browne in the 440 yard dash, Babs Schaible in the hurdles, Mickie Ragland with a record 27.5 seconds in the 220 yard dash, and Elissa Ferris in the 440 and 880 yard runs, the long jump, and the high jump. The team exhibited a great season and is looking forward to next year.

Women's Lacrosse Shows Dedication

The varsity women's lacrosse team showed great improvement throughout the '78 season. Under the leadership of Janice Collins and Cindy Hoglund, the girls played well together. Coach Penny Hannett provided the team with excellent coaching, and the results were displayed in the close games. New aggressiveness and determination were shown in the team as it utilized the talents of many new players, including Patty Pastor, who led the team in scoring, and goalie Pam Schmidt, the defense's backbone.

The 1978 season was the first year in which DCDS had enough girls to field a JV women's lacrosse team. All the members of the team put forth great effort, and it paid off at the JV lacrosse tournament where the girls won their first game. With the added experience of the JV players, the future of women's lacrosse looks brighter than ever.

Country Day Soccer Second In State

The 1978 DCDS soccer team had the best showing yet of any Country Day soccer team to date. In the final game of the state playoffs, DCDS lost to Andover by one fluke goal. The team's 14-8 record included thirteen games against other play-off teams. Led by All State captains Mike Ernst and Andy Hofley, the soccer team made its presence felt in state competition.

Despite the lose of eleven seniors, next year's team will have a solid core of seven seasoned veterans returning to play.

The junior varsity had a season that showed promise as well. Despite a 5-8-1 record, the team revealed some possible future varsity stars.

The freshman team had the best record of any freshman team, winning four games. The future looks bright for Country Day soccer.

Football Team Has Winning Season

Country Day's 1978 football team was built on an experienced core of sixteen seniors. The season had a dismal beginning with three consecutive losses to mediocre opponents. Under the leadership of captains Bill Aliber and Ed Valentine, the squad prepared for the upcoming contest with the then undefeated Lutheran North team. The fired up Country Day team carried a six point lead into the final minutes and held that lead with a defensive stand on their two yard line. They evened up their record with two consecutive victories. DCDS then won their homecoming game by defeating a tough Lutheran West team in front of an enthusiastic crowd. In the final game, Country Day overcame a 6-9 halftime deficit to annihilate Liggett with a score of 32-9. The trophy was presented to Mr. Shaw, our Headmaster Emeritus, who had given an inspiring pre-game pep talk to the players.

After a slow start, Coach D'Angelo's offense became a potent scoring machine led by Dean Miyao with 480 yards and Mark Fentress with 477 yards. It is a tribute to Coach Spencer's dedication that the team had the fourth ranked defense of all classes in Oakland County. Under the excellent coaching of coaches D'Angelo, Spencer, and Corwin, the DCDS 1978 football team took second place in the Metro League.

DCDS Golf Team Qualifies for States

The 1978 Country Day golf team, led by a banner of talented seniors, again recorded a highly successful season. Mark Otlewski, Steve Davis, Dave Grant and Kevin Kelchner provided the leadership necessary for Country Day to qualify for the state tournament for the fourth consecutive year. Coached by Mr. Hansen, the team again played a difficult schedule, facing traditional Class A and B powers Harrison, North Farmington and Oak Park. Mark Otlewski was the low scorer, followed closely by Steve Davis, who was runner-up to the medalist in the regionals.

At the regionals, Country Day was able to come up with its finest performance of the season, taking a narrow one shot victory to win the championship for the second year in a row.

Although the team didn't fare too well on a rainy day at the state finals, they still managed to make a respectable showing.

Underclassmen Brian Shapero, Jay Hansen, Rick Schaefer and Ken Lester will form the nucleus of a young team which Coach Hansen hopes will continue the fine Country Day tradition.

Cross Country Enjoys Great Season

The 1978 men's and women's cross country teams turned out to be the most successful teams in the school's history. The men's team finished the season with the best record ever at 6-3, including the first victory against Southfield Christian in a long time. The team continued by overwhelming the competition at the regionals, taking home eleven medals and the first place trophy. With captains Doug Steward and Glennys Merritt, the varsity went to the states for the first time and took a very respectable seventh.

On the women's squad, all but two runners were new to cross country and the school. Captain Dee Cook and fellow veteran Elissa Ferris led the team meet after meet with top performances. New talented runners gave the team new looks and hopes. Carol Simula, Dawn Schluter and Beth Ruggerio put in outstanding efforts in all of the meets. The girls took home a third place trophy in the Potterville meet, but failed to repeat the performance in a very competitive regional, consisting mainly of Class A teams.

Coach Gene "Daddy" Jurkiewicz said that this was the most successful year because the runners ran as a team and cared about each other's success.

Field Hockey Improves With New Coaches

Under a new coach, Mrs. Qualls, the 1978 varsity field hockey team continued showing great improvement, although the team's record unfortunately did not reflect the efforts and improvements which were made throughout the season. Towards the end of the season, all of the hard work began paying off and the team played extremely well at the tournament held at Kingswood. There, the Country Day team performed better than expected, placing fifth out of twelve teams.

Pam Schmidt was one of the team's strongest players, and did a consistently good job as goalie throughout the season. Varsity co-captains Sue Randol and Robin Karr also had good seasons.

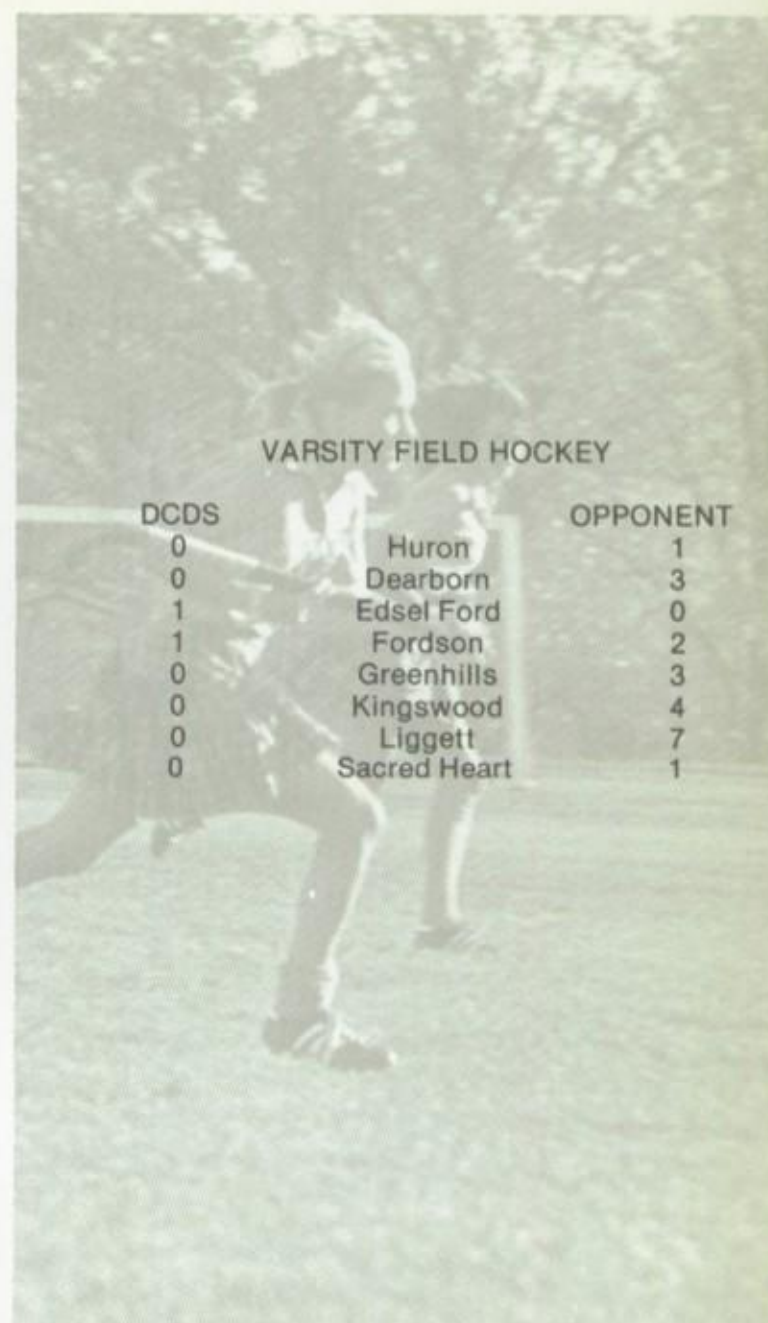

The J.V. field hockey team also had a successful season. Amy Sternhill and Sharyanne McSwain, the J.V. co-captains, led the team to several victories. Coached by Mr. Fremuth, the team steadily improved throughout the season. Amy Sternhill led the team in goals and by the end of the season, several members of the team proved capable of replacing graduating seniors.

Women's Tennis Continues to Improve

The 1978 women's tennis team, despite a losing record, showed great improvement over past years. DCDS was led by senior co-captains Stacy Henderson and Betsy Moss, the team's veteran first doubles combination. At first singles for the third consecutive year was Shari Goodman who sparked the team with her consistency. Rounding out the singles squad were seniors Maya Dumermuth and Lori Edwards, and junior Pat Fisher.

Coach Fleming cited the tremendous senior leadership as the team's strength, helping the women netters make one of their best showings ever in the regional. With continued improvement, next year's team should enjoy a winning season.

Cheerleaders Sparkle With Enthusiasm

This year's cheerleading squads were the most polished and poised to date. Competition was fierce for a position on one of the squads, and cheerleader advisor Mrs. Leybourn and the other judges had some difficult decisions to make in deciding who would make the squads. The cheerleaders cheered on teams, led pep assemblies and presented skits in order to help increase school spirit and show the teams that the student body was behind them. Mrs. Leybourn and the girls also devised a new pom-pom routine set to music, which was such a crowd pleaser at the basketball games that they plan to develop some new ones. With the middle school cheerleaders, school spirit is alive at DCDS.

Varsity Hockey Team: League Champs

The varsity hockey team this year was augmented by a group of good new players and backed up by a fine J.V. team. Coach Harry La-Pointe and his assistant Jeff Hibbard provided the leadership for the varsity team while Pat Carmichael coached the J.V. squad.

Captain Bill Aliber and assistants Jay Redwood and Paul VanAntwerp led the varsity team in skill and sportsmanship. Jay pulled the season together in the Lathrup game with an early third period goal, opening up the game to secure Country Day's place as league champions.

The whole varsity team played well, leading the league in goals while returning first string goalie Kurt Wolf and rookie Jon Morse had the fewest goals against. The team's over-all record was twenty-one wins, five losses and two ties, along with five shut-outs.

The J.V. team also had an excellent season as evidenced by their record of ten wins, three losses and one tie, with three shut-outs. The J.V. team has proven to be a successful revival of the program, and next year's varsity squad should benefit from their experience.

Wrestlers Take Second In State Meet

Although two state champions and two second place finishers from last year's state championship wrestling team graduated, Coach Campbell was optimistic about the prospects of this year's team. Under the leadership of Ed Valentine and Glen Clark, the team lived up to its expectations. At the Dansville Invitational, the Country Day grapplers won the first eight divisions while easily capturing the team trophy. The same eight wrestlers went into the finals at the Goodrich Invitational to win another first place trophy. At the Birmingham-Bloomfield Tournament, DCDS was faced with Class A competition but overcame class barriers to win the area tournament for the first time in school history. In regional competition, ten wrestlers from Country Day advanced to the state meet. Ken Berman and Mark Weiner emerged as state champions; Mark for the second year in a row. Marc Kornmesser and Ed Valentine were runners-up. The fourth place finishes of Glen Clark and Phil Stern completed the scoring, which gave Country Day a respectable second place in state competition in Class D.

Cagers "Rebound" Under New Coach

The 1978-79 varsity basketball team, under Coach Keener, showed steady improvement throughout the season. Led by senior co-captains Rodney Gilbert and Mark Fentress, this year's team developed a fast break offense and pressing defense which were among the tops in the league. With Fentress, Gilbert and junior Bob MacKenzie controlling the boards, Country Day consistently out-rebounded its foes. In the back court DCDS was led by an outstanding group of juniors—Bob Arnold, Nick Becharas, Ed Lennon and Allan Barr. Besides wins over league rivals Harper Woods, Lutheran North and Liggett, Country Day prevailed over good teams from Southfield Christian and Roeper. MVP for the team was Rodney Gilbert.

The J.V. cagers, under the direction of Mr. Thompson, made a remarkable turnabout at midseason. After struggling throughout the first half of its schedule, the team came around in January and February, led by Jim Zadeh, Billy Hunter and Keith MacKenzie. The climax of the season was in the second game against Cranbrook, where the J.V. team revenged a humiliating loss to Cranbrook by pulling off a 35-33 win.

A Downhill Season For The Ski Team

Despite a promising group of skiers, the ski team fared poorly. The returning varsity racers, including Dave Grant, Mike McNutt, Grag Clapp, Steve Jones and Tom Cupelis, failed to reach their potential. Only on two occasions did the team reach its capabilities. Most races were marred by numerous falls, eliminating any hopes of victory. But racing against Catholic Central, a division power, Country Day put it together to take a convincing win to demonstrate what they were capable of. In addition, Dave Grant took seventh place in the regional giant slalom, the best finish for Country Day in recent history.

Beth Ruggiero, Jill Siegel and Michelle Bomze comprised the first girls' ski team in several years. Though they did not have enough racers to compete fairly, they put out a great effort and managed to have fun at the same time.

DCDS Swimmers Do Not Flounder

The 1978-79 swim team posted the best record in Country Day swimming history. Under the supervision of new coach Mrs. Platen, the swim team practiced vigorously and the hard work paid off in meet performances many times over.

The team's overall record was 1-7, with the win being posted against St. Alphonsus. At the DeWitt Invitational, Country Day beat two teams, which was a better record than last year's meet. Co-captains Scott Pierson and Glenn Kline received top awards at DeWitt, with Kline winning the first DCDS medal in swimming.

Throughout the season, outstanding swimmers were Scott Pierson, Glenn Kline, Steve Soof, Dave Stremler, Dan Nagle and Don Cook. Dee Cook and Dawn Schluter were outstanding swimmers on the women's squad.

Surprises were in store for the spectators of the 1979 varsity volleyball team. The team was guided by new head coach Mr. Duggan. Senior co-captains Lori Edwards and Elissa Ferris led the team to an unprecedented 9-4 season. The team defeated such teams as Kingswood, Sacred Heart, Liggett, Harper Woods, Lutheran East and Lutheran West. Team members who contributed to the victorious season were Maya Dumermuth, Holly Hegarty, Betsy Moss, Dora Djuric, Robin Kromm, Kim Anderson, Frieda Mandelbaum and Gloria Soof.

The J.V. volleyball team, coached by Mrs. Qualls, also had an excellent season, managing to defeat eleven out of their fourteen opponents.

Women's Basketball Improves On Skills

The 1978-79 season was one of the most exciting and heartbreaking years for the women's basketball team. The season was highlighted by the victory over Sacred Heart by a point spread of only one point. However, the team met defeat several times by margins of less than ten points. These defeats did not damper the spirit of the team. Coached by hard-working Kevin Spencer, the girls worked hard and ended up being the best women's basketball team at Country Day in the four years that there has been a team.

Senior co-captains Tim Warpup and Lori Edwards were the team's leaders, and their enthusiasm sparked the rest of the team. Sue Frent was the team's other senior.

Middle School Activities provide a refreshing break from the stresses of academic life. In them students can pursue their creative desires according to their own interests. Thus, students receive broader learning.

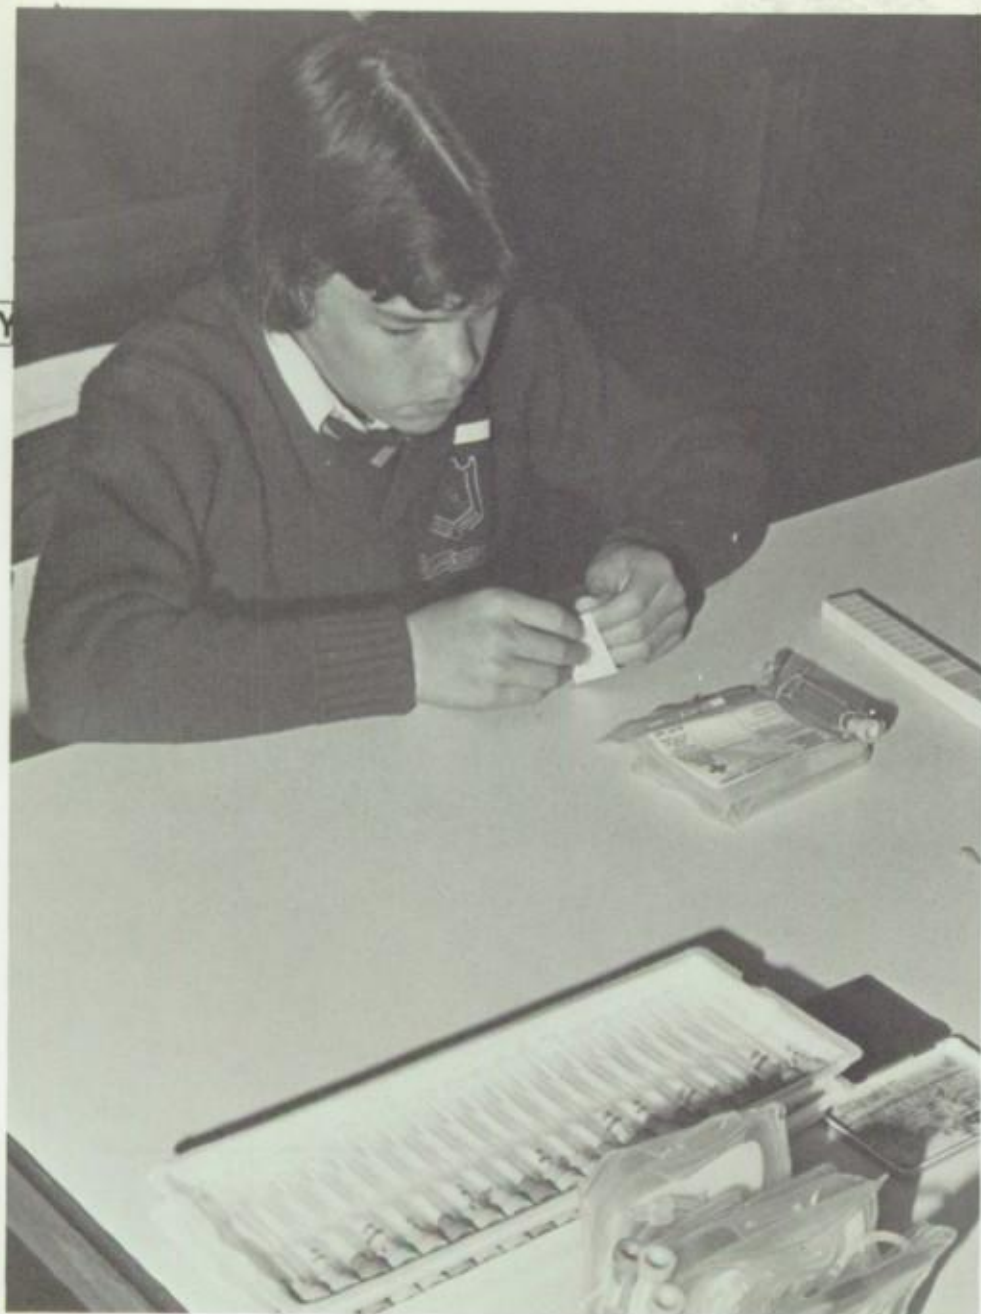

Music

Country Day has great pride in its excellent musical programs, including Band and Chorus, showing talent and promise for the future. The Drama Club is a fine way of cultivating talents and abilities that students may not otherwise find within themselves.

ABOVE: John Halperin and Wendy Katz have leading roles in the musical. FAR ABOVE: Navid Mahmoodzadegan and Lisa Pollak review a script for middle school drama production.

Service Club

The Service Club has been in existence for as long as any other activity at Country Day. Always ready to do anything they can to serve others, the club is a great school institution.

Literary Clubs

The Great Books program, sponsored by Mrs. Morley, stimulates interest in the classics. The *Odyssey's* publication is a popular literary pleasure.

Among the other clubs are Science Projects, Newspaper, and Student Council. In addition to these are special events, such as the middle school basketball team versus the faculty game. Both the activities and the special events generate an air of enthusiasm, and provide a bright spot in the day. The activity period is also a time when a student can find a teacher of a class in which extra academic help is needed. For students who don't take an activity, the period can be used as a time for homework.

Middlers Excel in Spring Athletics

The 1978 spring sports season was a productive one. The tennis team had their best season ever, beating both Cranbrook and Liggett twice. Brad Goodman and Keith Sotiroff were undefeated throughout the season. The seventh grade baseball team was a good comeback team and beat Liggett twice. The team had a good pitching staff consisting of Rob Jones and Brady Lineman. The eighth grade baseball team, coached by Mr. Paul, also had a good season. They beat Cranbrook and had a good pitching staff including both Eric Martin, the star hitter, and Houston Gullett. The middle school lacrosse teams, however, played no games. They were coached by Mr. Duggan and Mr. Mullen. Mr. Weidman's track team was highlighted by Damon Jones in the hundred yard dash and high jump, and Tara Fentress in the hundred yard dash. All in all it was a good season for the middle school teams. The future looks good for soon-to-be upper school students. The upper school teams will have some more talent coming up from this season's winning middle school teams. Next year should prove to be an even better one for the middle school athletes.

ABOVE LEFT: Brian Shapero shows true form. **BELOW LEFT:** Middle School girls' lacrosse team. **BELOW:** Howard Jacobson and Brad Goodman play doubles tennis. **ABOVE:** Keith Gardiner sprints up for the pole vault. **ABOVE RIGHT:** Billy Hunter prepares for another race. **BELOW RIGHT:** Stuart Brady warms up his arm.

MS Sports Teams Improve in Ability

The middle school enjoyed playing many fall sports this year. The girls' field hockey team emphasized skill development.

Although the team played only one game, the girls showed spirit and enthusiasm during the season. Outstanding players included Susan Silverman, Aida Storey and Lisa Browne.

The middle school football teams met some stiff competition from larger schools this year, but managed to improve each game. Chuck Adams was quarterback for both the seventh and eighth grade teams. Bill Kiptyk was good on defense and Brady Lineman did an excellent job at offensive end. Most improved players included Eric Sherman, Pete Hoglund and Tim Bach.

The girls' tennis team also faced some excellent teams, but the girls worked hard and made significant progress by the end of the season. Judy Warren was top singles and Rhonda Brown and LaNita Gragg were top doubles.

The middle school soccer teams had some important victories against key rivals this fall, showing steady improvement. Outstanding soccer players included Scott Crankshaw, Cam Farah, Keith Wadle, Scott Mollison and Mike Nino.

Winter Teams Strive for Perfection

The winter sport season found the middle school students enjoying several different sports. The middle school wrestling team, consisting of both Form III and IV, had a excellent record against eighth grade teams. In an all area meet which included some freshmen, Keith Wadle and Chris Cherney took third places.

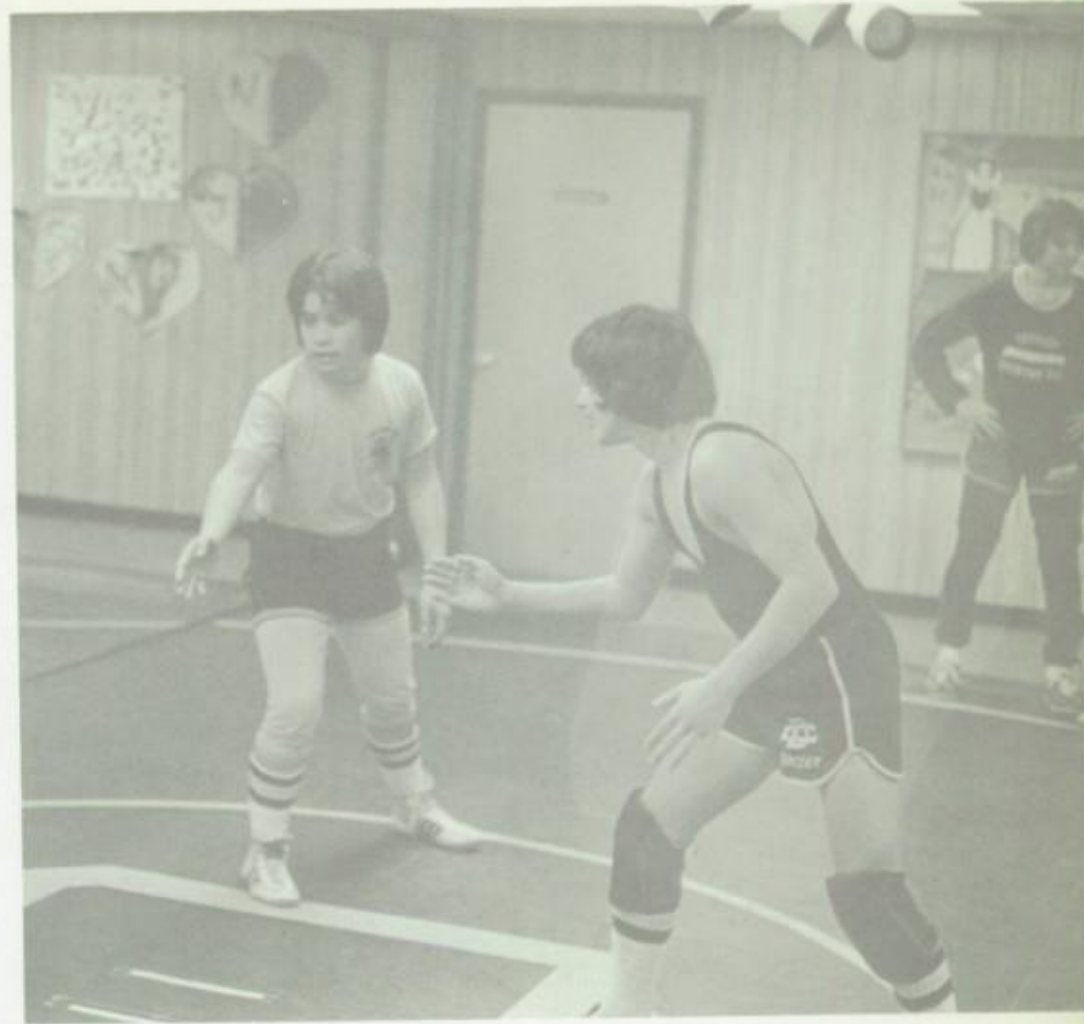

The swim team enjoyed its best season in several years, winning its first meet. Jenny Andrews and Ben Schneider were strong swimmers for the team.

The girls' volleyball and basketball teams concentrated on giving girls an opportunity to play and developing skills. Due to a lack of opponents, their play was restricted to intramural. Outstanding athletes included Carolyn James, Cindy Attenson and Kirsten Morley.

The Form III basketball team featured good team play and some close games. A highlight of the season was a victory over Berkshire on a free throw by Chuck Adams with only three seconds to play.

The Form IV team learned that talent without hustle isn't enough. The team worked hard on basic skills, and by the end of the season the members were improving both as individuals and as members of the team.

LS Activities Build the Mind and Body

The lower school may be located on a separate campus, but the physical detachment does not prevent close interaction between the schools. The lower schoolers have their own self contained schedule including a rigorous activity program. Music, ballet, art and athletics provide levels one through four with a well balanced daily routine. Heritage Day spent at Greenfield Village is an anticipated event for both teachers and students. The annual parade of Halloween costumes by the pre-schoolers is also an anticipated treat for the youngsters and the upper schoolers. All in all the lower school provides more than an excellent education because of their varied activities, and the school's motto of a well rounded mind, body and personality is upheld to the fullest degree.

School Founder Mr. Shaw Is Honored

Mr. F. Alden Shaw, Headmaster Emeritus, has served Country Day as a source of inspiration and leadership since the school's founding in 1914.

Always a popular figure around campus, Mr. Shaw again taught his annual philosophy class this year in the fall, and attended several athletic contests.

This year Mr. Shaw was honored at a dinner at the Raleigh House to initiate the capital campaign for the new gymnasium.

Our school mourned the death this year of Mrs. Amy Shaw. Mrs. Shaw had been closely associated with Country Day over the years, and worked alongside Mr. Shaw to help make this school what it is today. We would like to acknowledge the contribution that she made, and to say that she will be remembered.

Guindi, Chairman-elect; Mr. Anthony Buesser, Chairman; Mrs. Charles Keller, Secretary; Dr. Richard Schlegel, President. *ABSENT:* Mr. H. Samuel Greenawalt Jr., Mr. James Aliber, Mr. Roger Davis, Mr. F. Alden Shaw, Mr. Ronald Lech.

Good trustees are difficult to find, and Country Day is fortunate in having some of the best. Unpaid except through their own satisfaction, they invest time and effort in the pressing business of securing capital funds and in setting school policies. They lead our school family in the size of their gifts to Annual Giving and building campaigns with 100% participation. We depend on their talent and their commitment to persuade others to help build scholarship aid, endowment and buildings. Trustees are respon-

sible for the well-being of the school at the policy level but do not become involved in day-to-day management that is the direct responsibility of the Headmaster. Through committees as Budget, Financial Development, Long-Range Planning, Curricula, Athletic, Scholarship, Financial Aid and Grounds & Buildings, they work closely with the Headmaster and other school personnel in providing vigorous, hard-headed management to Country Day.

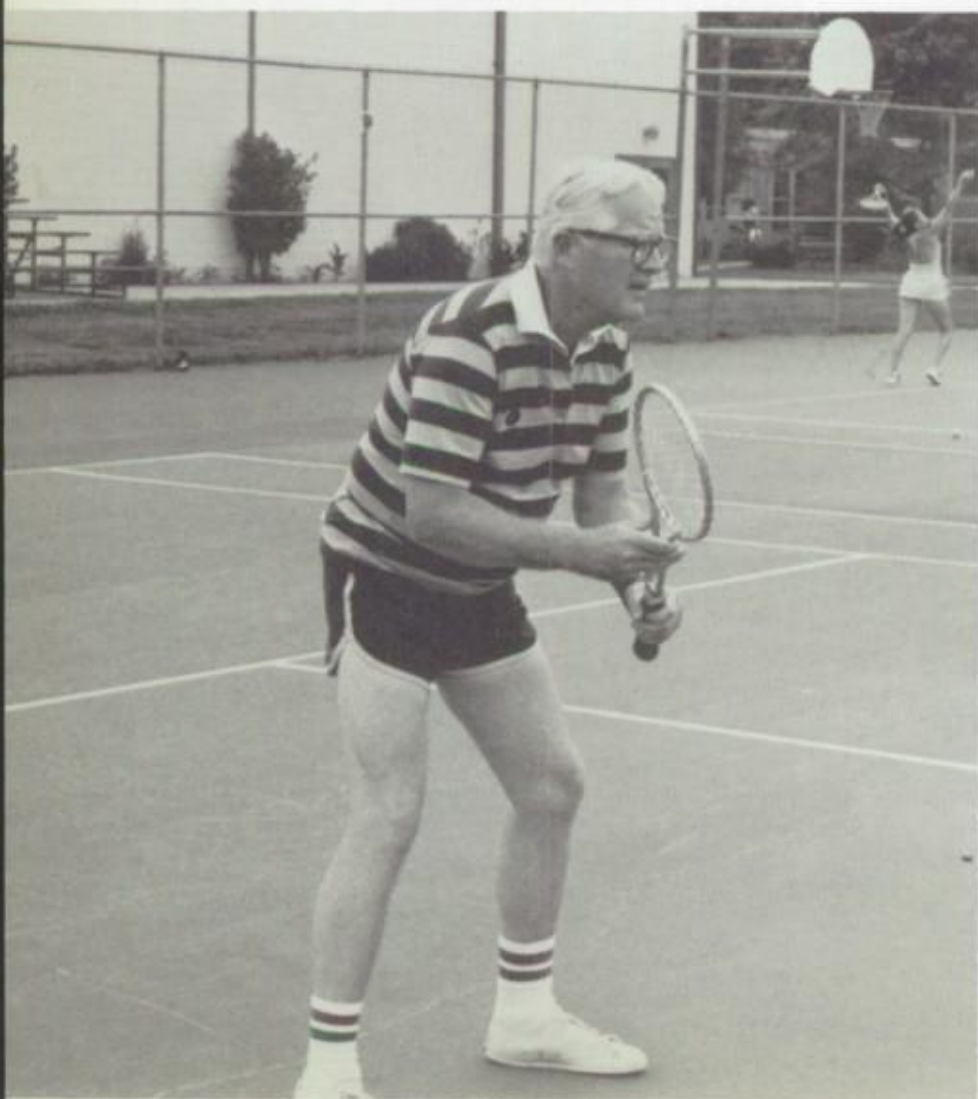

The Headmaster of Detroit Country Day and his wife, Dr. and Mrs. Richard Schlegel, enjoy busy lives centered around the school.

The raising of funds for the new gymnasium has been among Dr. Schlegel's chief concerns this year, and he has been very busy meeting with trustee committees and with parent groups planning and executing the capital campaign. Dr. Schlegel enjoys dressage and playing tennis.

Mrs. Schlegel is involved with the International Dinner, the annual flower sale, the Pancake Supper and the beautification of the campus each spring with flowers. She also feeds large numbers of hungry sophomores before each play that they attend at Meadowbrook.

The commitment and hard work of both Dr. and Mrs. Schlegel have greatly enriched the school for over ten years, and we hope for many years to come.

LEFT: Dr. Richard A. Schlegel, President-Headmaster. Haverford College B.A., University of Pennsylvania M.A., Albion College LL.D.. *BELOW LEFT:* Dr. Schlegel playing doubles at the faculty-staff picnic. *BELOW:* Mrs. Schlegel cuts her birthday cake.

It is rewarding to find someone whom you like, but it is essential to like yourself. It is quickening to recognize that someone is a good and decent human being, but it is indispensable to view yourself as acceptable. It is a delight to discover people who are worthy of respect and admiration and love, but it is vital to believe yourself deserving of these things. For you cannot live in someone else. You cannot find yourself in someone else. You cannot be given a life by someone else. Of all the people you will know in a lifetime, you are the only one you will never leave nor lose. To the question of your life, you are the only answer. To the problems of your life, you are the only solution.

***If you wait until the government
explains ERISA to you, it may be too late.***

When the Employee Retirement Income Security Act became law in 1974, it created as much confusion as red tape.

As a result, a lot of unsuspecting companies could face heavy fines for non-compliance and underfunding.

The law even affects many companies that don't have pension or profit-sharing plans.

Certain sections of the law impose requirements on medical, surgical, disability and death plans. Other sections impose regulations on thrift plans and stock bonus programs.

A review of your present employee benefit plans by a qualified Sundholm Associates representative can help you determine how they fit into the provisions of ERISA.

We can design, in cooperation with your attorney, employee benefit programs that are consistent with ERISA regulations, hold costs to an absolute minimum and provide maximum benefits to the employer as well as the employees.

We can't guarantee that we'll be able to reduce your costs.

But we can guarantee that a thorough, professional review of your employee benefit plans by a Sundholm Associates representative will reduce the time you spend worrying about ERISA compliance.

Monza 2+2 Hatchback. Sport mirrors (shown) extra.

1979 Chevy Monza. More car, more kicks, less money.

STANDARD: White-stripe tires and full wheel covers.

STANDARD: Sport steering wheel. AM radio.

STANDARD: Four-foot-wide hatch.

STANDARD: Newly designed high-back bucket seats.

Besides giving you sporty looks at a reasonable price, the new 1979 Chevy Monza 2+2 also gives you a whole lot of standard features.

More Car.

New standard features for '79: Tinted glass • AM radio • Sport steering wheel • Shift console • Body side moldings.

Still standard: White-stripe tires • Newly designed high-back front bucket seats • Full wheel covers • Cut-pile carpeting • Four-speed manual

transmission • Four-foot-wide hatch • Body by Fisher • And more.

Less Money.

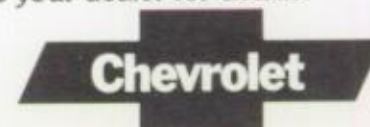

And it's all for an amazingly low price that's actually less than what last year's Monza would have cost with the same equipment—based on Manufacturer's Suggested Retail Prices.

More Kicks.

The new Monza 2+2 is more kicks, too, with its new standard equipment and its new higher output standard

2.5 Litre 4-cylinder engine (or available V6 or V8). Even more kicks in an upgraded level of quality in interior trim, and newly designed high-back front bucket seats.

Monza is equipped with GM-built engines produced by various divisions. See your dealer for details.
